

Disability Access & Inclusion Plan

Community Consultation: Focus Groups

About the Focus Groups:

Moreton Bay Regional Council has engaged CRU to assist in the development of a Disability Access and Inclusion Plan. Council would like feedback from the community in order to prioritise how they will work towards ensuring their facilities, services and information are accessible to everyone.

CRU will conduct six Focus Groups across the region to gain more in depth information about concerns, issues and trends. If you are unable to attend a Focus Group, have your say via council's online [survey](#), closing May 31.
