Some transition times – entry to school, the jump to high school, even transition from special to regular school, are BIG transitions, but even if you are just preparing for a new classroom and new teacher, this webinar will help you to start thinking about the 2020 school year.

By being clear about your hopes, and what you should ask for, you can give your child the best chance of thriving in an inclusive classroom.

ABOUT THE WEBINAR FORMAT:

We are offering this free webinar twice to make it easier to fit in with your busy lives. The first session will run from 10.30AM to 11.30AM and the second will run from 7.30PM to 8.30PM that evening.

The content will be the same for both sessions.

Each session will involve a presentation on the topic followed by a chance for you to submit questions that will be answered by the CRU team in a Q and A session. Where we are not able to answer all questions, we will offer individual follow up.
