Finding Work - Getting Started in Years 11 & 12

Monday 21st February, 2022 1:00pm - 2:30pm
(Brisbane, AEST)

This webinar is for secondary school students with disabilities and their families. Supporters and allies are also welcome to attend. This particular webinar has been designed for Years 11 & 12. Other webinars are being currently offered for Years 7 & 8 (Imagining work) and Years 9 & 10 (Discovering work).

This webinar will provide you with an introduction to this new initiative to assist your family on the path to creating a positive vision for the future, a vision that includes work.

This webinar will also focus on planning for work, developing positive mindsets and focusing on your student's strengths. We will discuss possible barriers you may encounter on the school to work pathway, and how to handle these. We will also be highlighting the importance of involving your student in decision-making throughout the school to work journey.

We will discuss why having high expectations is important, and share stories and examples to assist you to be able to 'think outside the box' in order to find or create work opportunities. We will also explore ideas for work experience, including utilising your networks.

The webinar will include live Q&A.

This webinar will be held via ZOOM Webinar and the event link will be sent to registered participants prior to the event. It is also possible to join by phone.
