with Disability

## ROCKHAMPTON WORKSHOP

# Imagining, Discovering and Finding Work

*School to Work aims to inspire and equip students with disability through the support of their families to seek meaningful, paid employment in the community.*

Join us for an interactive and participatory full day workshop that aims to bring families together to connect and increase confidence to seek out meaningful, paid employment for their secondary school student with disability.

This workshop will enable participants to get actively started in a range of processes so they leave with some concrete plans and strategies to find work for their family member.

Participants will hear stories and experiences from people with a disability and their family members about practical tips and strategies when planning for and finding real and meaningful work.

### Topics covered will include:

- Uncovering and identifying individual strengths and interests and using them as a guide for creating potential work roles
- Identifying the conditions that help set up your family member for success in work
- Identifying community connections and contacts to approach for work
- Practical strategies and tips on working collaboratively with other professionals or services
- Developing a positive pitch to get the job
- Exploring what good employment support looks like and how to find the right people to support your family member
