

HLTAID011 Provide First Aid

DEVELOP YOUR BASIC FIRST AID SKILLS TO LEARN HOW TO RESPOND IN ANY EMERGENCY

Whether you're in the workplace, at a children's sporting event, or just at home, first aid training provides valuable skills for everyday life.

People who have completed first aid training can better support others in the event of an incident, accident, or emergency.

Crucial Training Options' accredited first aid program offers broad and thorough training including convenient online learning of the fundamentals of first aid and CPR knowledge followed by practical real-life focused workshops delivered by industry experts.

Learn the basic first aid knowledge and skills to help you respond in an incident or emergency until medical assistance arrives.

Upon successful completion students will be issued with a Statement of Attainment for:

HLTAID009: Provide cardiopulmonary resuscitation

HLTAID011: Provide first aid

Payment to be paid in full prior to course commencement.

Venue

This course will be held at:
Level 2, 43 Peel Street
South Brisbane QLD 4101

Study Mode and Duration

Self-paced online learning

Face-to-face practical, up to 6 hours

HLTAID011

Provide First Aid

Learn the basic first aid knowledge and skills to help you respond to an incident or emergency until medical assistance arrives.

Session 1 – Online Learning and Assessment

The online learning component allows you the flexibility, time, and space to learn and complete important theory assessments at your own pace, when and wherever you want! The actual duration of this component will vary depending on your experience and knowledge.

You will need access to a computer, and the internet to complete this part of the course. Mobile phones are not recommended due to the small screen size.

Session 2 – Face to Face Practical Session

(Around 4 -6 hours)

Our face-to-face practical session gives you the opportunity to apply the knowledge you have learned and develop the hands-on skills, practice them, receive trainer feedback, and then complete assessment tasks based on first aid or emergency scenarios.

Upon successful completion students will be issued with a Statement of Attainment for:

HLTAID009: Provide cardiopulmonary resuscitation

HLTAID011: Provide first aid

HLTAID009 Provide cardiopulmonary resuscitation is required to be refreshed every 12 months from the date of certificate to remain current.

HLTAID011 Provide first aid is required to be refreshed every 3 years from the date of certificate to remain current.

Duration and Delivery

This is a blended course with self-paced online learning and face-to-face training. Before attending the face-to-face training, students will need to complete their online learning which can be done in one sitting or over several sessions.

Students should allow up to 4 hours for reading and online learning. Face-to-face training and assessment can be approx. 4-6 hours in the classroom.

Entry Requirements

There are no specific entry requirements for this unit of competency.

Students are required to commence Session 1 Online Theory prior to attending Session 2. Students will have their practical session rescheduled if online learning has not been completed.

If you would like to discuss conducting a group session at your preferred location, please contact the office to discuss these options and we can provide you with a quote.

If you have any queries please do not hesitate to contact us on admin@cto.qld.edu.au or phone 0476 599 263.
