WEBINAR:

Developing a Visual Resume for Work

This event is a part of our School To Work Project which aims to inspire and equip students with disability, through the support of families, to seek meaningful, paid employment in the community.

In this webinar, we will discuss alternative ways to share with potential employers what a young person can offer in experience, skills and strengths.

This webinar will focus on visual resumes, an alternative to a traditional resume, and show what it is and how others have used it to help find meaningful paid employment in their community.

The webinar covers the key concepts of Visual Resumes:

- What a visual resume is, and when it is used
- The key components of a visual resume
- Considerations when developing a visual resume
- Examples of visual resumes
- Creating speaking notes to accompany the visual resume
- How to get started crafting a visual resume of your own.

The content of this webinar has been derived from the work of Marc Gold & Associates. The webinar will include family stories of what is possible and live Q&A.

Who Should Attend

This webinar is for secondary school students with disabilities and their families. Supporters and allies are also welcome to attend.

What do I need to participate?

We will be using the video meeting platform **Zoom** to host the webinar.

You will need access to:

- a computer or iPad/tablet or smart phone with internet access;
- speakers/sound

About CRU

For over 35 years, Community Resource Unit has been working across Queensland to help people with disability take control of their lives and take their place in their community.

CRU (QLD), Resourcing Inclusive Communities, an initiative of Family Advocacy (NSW) and Imagine More (ACT) are working together on a four-year project called School To Work.

School To Work aims to inspire, increase confidence and motivate students with disability to seek and find meaningful employment with the help and support of their family and community.
