

# Families for Inclusive Education 2024

## Taking Stock and aiming High: Preparing for the 2025 school year

**Tuesday 29th October, 2024**

10.00 AM - 11.30 AM

**Online session (via Zoom)**

### Event Overview:

The end of the school year can bring different feelings for families of students with disability – sometimes relief if it has been a challenging year of advocacy; perhaps sadness if it has been a great year of inclusion and progress, and worry about whether the new year will bring the same positive experience.

### This workshop will support families to:

- Reflect on positives and negatives of the past school year
- Identify successful approaches to build upon next year (while they are still fresh in your mind!)
- Prioritise what you would like to see improve for your child in 2025
- Effectively communicate the information most critical for successful inclusion to next year's teacher/s

### RSVP: Monday 28th October

There is no cost to attend but registration is essential. The link to join will be emailed to your registered email address.
