

Accommodation Options

We have compiled a list of local accommodation options for those who require accommodation during the event. There are a number of accommodation options within a short walk from the event venue. **'South Brisbane' Train Station** is located next to the venue. Many other accommodation options are only one train stop away and the **Cultural Centre Busway** is also close. Train tickets can be purchased at train stations, but if you plan to take a number of train or bus trips it is cheaper if you have a **'Go Card'** (these can be purchased at Train Stations and other locations, see [translink website](#)). A train journey between Brisbane city and Brisbane Airport will take approximately 30 minutes. An **Airtrain** ticket is \$18.50 (May2018 price) each way and stops at South Brisbane Train Station

The **Brisbane Convention & Exhibition Centre** is located in the riverside South Bank Precinct and offers participants more than 30 cafes, restaurants and specialty shops. Brisbane has a compact CBD and is ideal for walking and getting around via the many scenic river and bridge walks.

As this is a busy period for accommodation bookings it is advisable to book early and some prices are likely to rise as hotels reach capacity. It may be useful to ask for an 'Advance booking' rate or use online booking sites to compare accommodation prices.

Please note that while CRU staff have visited some of the accommodation below, we suggest using this as a guide only and check details with the hotel staff.

ACCESSIBLE ACCOMODATION

Accessible accommodation is limited and of course definitions of this differ widely. If you need any assistance in finding suitable accommodation we are happy to check this out for you. Please contact Catherine or Kim at CRU on (07) 3844 2211 or cru@cru.org.au so we can assist regarding working out accommodation suggestions which best suits your needs.
