

# Support Worker Training

Getting to the Heart of What Matters (Day 1 only)

Online Workshop

**10am – 1pm | Tuesdays 12 & 26 August**

**Online Workshop series**

## Description

Paid staff can make a significant contribution to the life of a person with disability – enabling the person to live a rich life and pursue their unique goals and dreams. What lies at the heart of the role is, however, frequently invisible. When we fall into the habit of talking about ‘hours’, tasks, routines and schedules, it’s easy to be distracted from what really matters about supporting people well. Topics covered in this workshop include:

- The purpose of support work
- Values, beliefs, assumptions
- Getting to know the person
- Valued roles
- Promoting friendships & relationships

*“...Working together in partnership, with the right people... creates fertile ground for establishing a good life...”*
