

Taking Stock and aiming high:

Planning for the 2026 school year

Online

11.30am – 1.00pm | 11 November 2025

Online Workshop | via Zoom

Description

The end of the school year can bring different feelings for families of students with disability – sometimes relief if it has been a challenging year of advocacy; perhaps sadness if it has been a great year of inclusion and progress and worry about whether the new year will bring the same positive experience.

This workshop will support families to:

- Reflect on positives and negatives of the past school year
- Identify successful approaches to build upon next year (while they are still fresh in your mind!)
- Prioritise what you would like to see improve for your child in 2026
- Effectively communicate the information most critical for successful inclusion to next year's teacher/s

Tickets This workshop is fully subsidised.
